

Tuniu Announces Unaudited Fourth Quarter and Fiscal Year 2019 Financial Results

NANJING, China, April 9, 2020 /PRNewswire/ -- Tuniu Corporation (NASDAQ:TOUR) ("Tuniu" or the "Company"), a leading online leisure travel company in China, today announced its unaudited financial results for the fourth quarter and fiscal year ended December 31, 2019.

Mr. Donald Dunde Yu, Tuniu's founder, Chairman and Chief Executive Officer, said, "The outbreak and spread of the COVID-19 has brought an unprecedented challenge to the travel industry and the business operation of Tuniu. Although we expect short-term turbulence within the industry, we remain confident that the economy and travel industry of China will be able to gradually recover as the COVID-19 has been largely contained within China. Since the initial outbreak in January 2020, we have been helping customers refund or alter trips that were impacted by the COVID-19. On the business operation side, we are focusing on developing high-quality products and services for our customers in anticipation of an increase in demand for domestic travel. We believe Tuniu will be well-positioned to better capture market opportunities when the travel industry begins to recover."

Ms. Maria Yi Xin, Tuniu's Chief Financial Officer, said, "Since the fourth quarter of 2019, we have been making various adjustments to our business operation and corporate structure. After the outbreak of the COVID-19, we have implemented a number of cost-saving adjustments that will manifest starting from the second half of 2020. Due to the COVID-19 outbreak in early 2020, the Chinese government has announced bans prohibiting the sale of packaged tour products. As China's leading online leisure travel company, we have a high social responsibility and will continue prioritizing the safety of our customers."
